

Welcome to *A Touch of Grace 1596, Incorporated!* Our upscale home is situated in the exclusive and scenic Rulane Woods Estates. This 4,000 square foot ranch is conveniently located behind McLaren Regional Medical Center, is handicapped accessible, has 6 private living quarters, 4 bathrooms, an oversized kitchen, formal dining area, large living room, large family room, and library all connected to a walkout patio.

"Since our founding, our mission and primary focus has been to strive for excellence. To achieve this, we first strive for a culture that is built on respect, integrity, honesty and a shared passion to deliver the best experience to our residents, their families and our employees."

Mrs. Holloway, RN/BSN

Let Us Introduce Ourselves

A Touch of Grace 1596, Inc. is a faith based facility dedicated to the uniqueness, safety, dignity, and well-being of developmentally disabled, aged, wheelchair accessible and physically handicapped individuals. We welcome both male and female residents to a private living setting and provide above exceptional custom care with all activities of daily living. Services provided are: smoke-free environment, wheelchair accessibility, around-the-clock on-call medical doctor, RN/BSN, MLPN, direct care supervision, supervised medication administration, physical/occupational therapy, in-home doctor visits, three (3) nutritional meals with Chef visits, beauty/barber visits, assistance with activities of daily living (not limited to hospice care), laundry/housekeeping, and daily activities to ensure that our resident's lives are enriched and fulfilled with life-long learning opportunities.

Operated by a team of individuals who became dissatisfied with the lack of quality care in the community, they embarked on a path to providing residents with the opportunity for continuous family/friend contact, community recreation, education, religious choices, shopping, positive social/emotional development and much more.
